## PROFESSIONAL SUMMARY

---

Bilingual (English & Spanish – B2 CEFR Certified) IT Service Desk professional with 6+ years of experience delivering technical support and customer-facing solutions in fast-paced enterprise environments. Proven track record of resolving complex IT incidents, managing SLA-driven ticketing workflows, and supporting large-scale user bases. Adept at Active Directory administration, remote troubleshooting, and cross-functional collaboration. Seeking to leverage technical expertise and communication skills in a global support or IT operations role at Google.

## CORE COMPETENCIES

---

Technical Support & Troubleshooting ▪ Active Directory Administration ▪ Ticketing Systems (ServiceNow) ▪ Incident & Problem Management ▪ SLA Management & Escalation ▪ Remote Desktop Support ▪ Bilingual Communication (EN/ES) ▪ BPO / Customer Service Operations ▪ Knowledge Base Documentation ▪ Cross-Functional Collaboration

## PROFESSIONAL EXPERIENCE

---

### Tech Mahindra Business Process Services

June 2021 – Present

#### IT Service Desk Specialist – Bilingual (English & Spanish)

Hyderabad, India

- Delivered Tier 1 & Tier 2 technical support to a diverse, global user base of 5,000+ enterprise clients in English and Spanish, maintaining a first-call resolution (FCR) rate of 90%+.
- Managed and resolved 50+ incidents and service requests daily via ITSM ticketing tools (ServiceNow), adhering to SLA targets with a 98% on-time closure rate.
- Administered user accounts, permissions, and group policies in Active Directory, ensuring zero security incidents related to access management.
- Performed remote troubleshooting for hardware, software, VPN, network connectivity, and Office 365 suite issues, reducing mean time to resolution (MTTR) by 20%.
- Collaborated with Tier 3 engineering teams to escalate and resolve complex infrastructure issues, contributing to a 15% reduction in repeat incidents.
- Created and maintained knowledge base articles, SOPs, and runbooks that improved team onboarding efficiency by 30%.
- Mentored junior agents on bilingual support protocols and ITIL best practices, directly improving team KPIs.
- Recognized as a top-performing agent for consistently meeting quality assurance benchmarks across voice, chat, and email channels.

### Conneqt Business Solutions

June 2019 – March 2021

#### Customer Support Specialist – BPO

Hyderabad, India

- Handled high-volume inbound and outbound customer interactions, resolving product and service queries with a CSAT score consistently above 4.5/5.
- Achieved top-quartile performance in KPIs including Average Handling Time (AHT), Quality Scores, and Customer Satisfaction (CSAT) metrics.
- Supported process automation initiatives that reduced average call handle time by 10%, enabling the team to serve a larger customer volume.
- Built strong rapport with diverse customers, developing strong written and verbal communication skills transferable to technical environments.

## KEY ACHIEVEMENTS

---

- 90%+ First Call Resolution (FCR) rate sustained across 5+ years in enterprise IT support.
- 98% SLA compliance rate managing 50+ incidents per day in a high-volume service desk environment.
- Bilingual elite support – one of a select group of agents certified to handle Spanish-language enterprise escalations at Tech Mahindra.
- Reduced repeat incident rate by 15% through proactive root-cause analysis and knowledge-base documentation.
- Improved team onboarding by 30% by creating structured SOPs, runbooks, and training materials.

## EDUCATION

---

### Master of Business Administration (MBA) – Human Resources Management

Aug 2022 – June 2024

Osmania University, Hyderabad

### Bachelor of Commerce (B.Com)

July 2018 – Aug 2022

Osmania University, Hyderabad

---

## PORTFOLIO

---

### Personal Portfolio Website – [donthulavishnuvardhan123-sudo.github.io/portfolio/](https://donthulavishnuvardhan123-sudo.github.io/portfolio/)

- Built a personal portfolio website using React and Vite, featuring a professional profile, downloadable resume, and contact information to showcase skills and experience to potential employers.
- Designed and deployed a fully responsive, modern UI with smooth navigation, clean layout, and mobile-friendly design to ensure a seamless experience across all devices.
- Hosted on GitHub Pages with version-controlled source code, demonstrating hands-on experience with front-end development tools, deployment workflows, and web technologies.
